Fields Howell LLP

Lakind to Present at Heli-Expo Conference Hosted by Helicopter Association International

MARCH 7, 2022

Fields Howell LLP is proud to announce that partner **Robert L. Lakind** will be presenting two courses at the *Heli-Expo Conference* in Dallas, Texas, on March 8 and 9. The event is hosted by *Helicopter Association International (HAI)* and is one of the largest gatherings of aviation professionals in the world.

Mr. Lakind's first course will cover legal issues surrounding unmanned aircraft systems (UAS), including the regulatory landscape for drones. The second course will focus on how to effectively navigate an FAA investigation—offering attendees practical strategies, legal insights, and compliance best practices.

Before entering the legal field, Mr. Lakind was an airline pilot, flying both domestic and international routes. As an attorney, he has built a distinguished career representing a wide range of aviation clients, including Part 135 operators, insurance carriers, airports, and high-net-worth individuals. His aviation practice includes FAA compliance, aircraft transactions, defense in FAA investigations, and aviation litigation. He is also a member of HAI's Safety Working Group.

The 2022 Heli-Expo is expected to draw approximately 14,000 industry professionals and will feature over 600 exhibitors. Fields Howell looks forward to connecting with peers and professionals in Dallas.

If you are attending and would like to connect during the event, please reach out to Robert L. Lakind.
